REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant's arguments with respect to the Lee et al. reference have been considered and are deemed to be persuasive. While Lee et al. do teach the possibility of a separate telemetry module within the patient, there is no specific teaching that the connection between that separate module and the IMD can be a user-attachable or detachable one. The Examiner hereby withdraws the argument of inherency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey R. Jastrzab whose telephone number is (571) 272-4947. The examiner can normally be reached on M-W 5:30 a.m. to 4:00 p.m..
